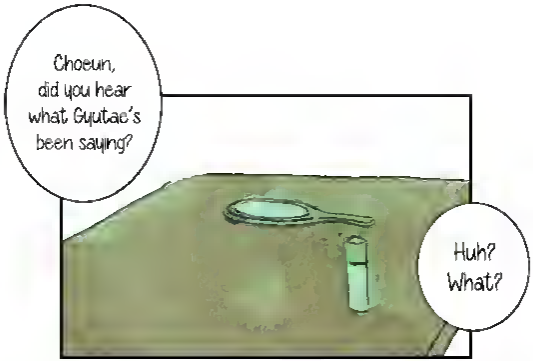
I can't be the only one who pities Gyutae? Right? Choeun kind of sucks



Choeun, did you hear what Gyutae's been saying?
Huh? What?

Gyutae didn't tell you?

Not long ago, Gyutae
Slide
Choeun, let's go to the cafeteria

Ah! You scared me!
Why are you surprised? Are you talking behind my back?

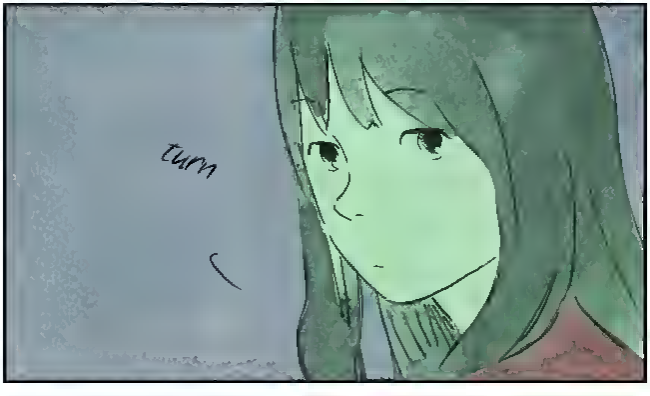
No, no it's not like that
Minji heard you talking about something?

Gyutae, what is it?
What have you been saying?
. . . .

WHAT? OB/GYN?

Oh my God, is she pregnant?
Well, it's too early to jump to hasty conclusions
Oh my, this is some big news! Really!
tap
tap
Now what are you doing?

Making those guys apologize because I was the only one who wasn't told anything
WHAT ARE YOU SAYING?!



turn

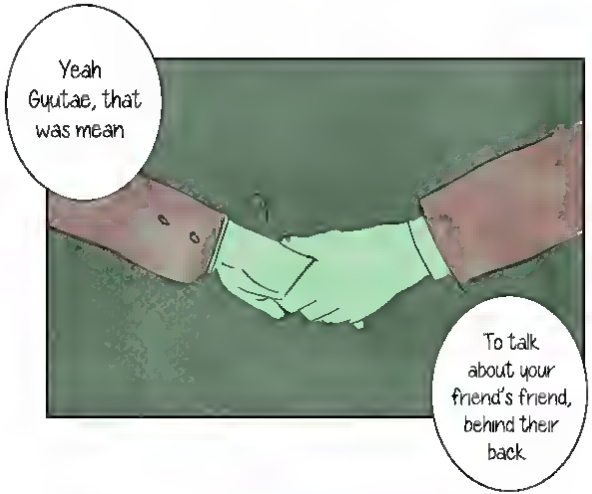
Wait
What?
Does this have anything to do with why you fought with Yeonseong?

I don't know
It doesn't matter
"IT DOESN'T "
?!
Tell me why you guys fought!
It's done It's no big deal
Why?
Where are you going?

HEY, WHAT ARE YOU DOING?
I'm not gonna let go until you tell me
You're really not letting go
Do you really want to know?
Yeah

Fine
I told him and he threw a fist at me

Slide
Ah. Is that so?



Yeah Gyutae, that was mean
To talk about your friend's friend, behind their back

You really think Yeonseong is angry about something like that?

What, that's not it?

Honestly, Yeonseong's been acting a little weird lately
So what?

You're saying something weird
Is this because you two met with each other before?

It'd be a lie if I said I didn't doubt him
YOU'RE HIS FRIEND RIGHT?
HOW CAN YOU DOUBT HIM LIKE THIS?!
Choeun
It's done Don't call my name

Don't
come looking for me
Choeun
IT'S OVER. I'M LEAVING

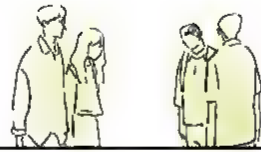
Gyutae, you're not heading home?

Kim
Gyutae!

I'll see you tomorrow

What happened to the windows feels weirder the more I think about it

Yesterday, Choeun and I left school

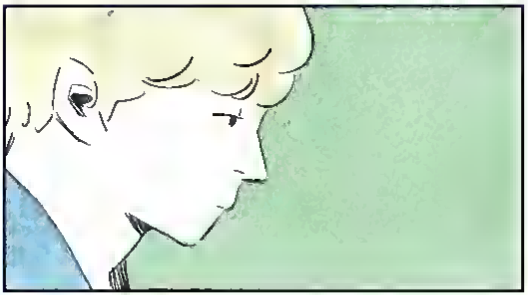


And Ju Younghwa and Jeon Gicheol

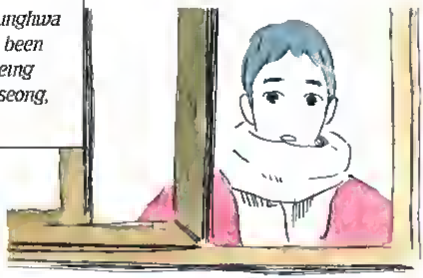
We were all together so we can verify each other's alibis

So there had to have been a third party who broke the windows

Ju Younghwa was the only one caught on camera.



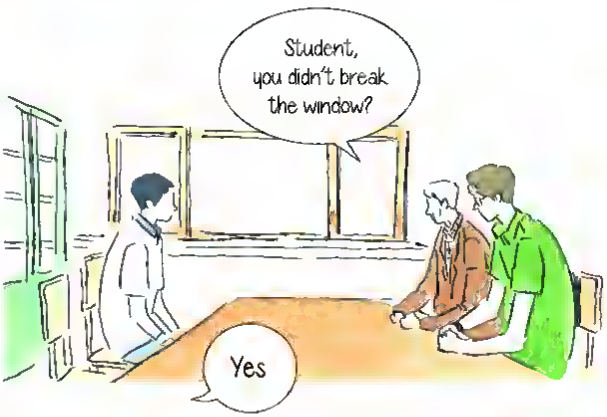
If Younghwa has been seeing Yeoseong,



then Yeonseong must be living in some form.

The only culprit I can think of is

I didn't do it

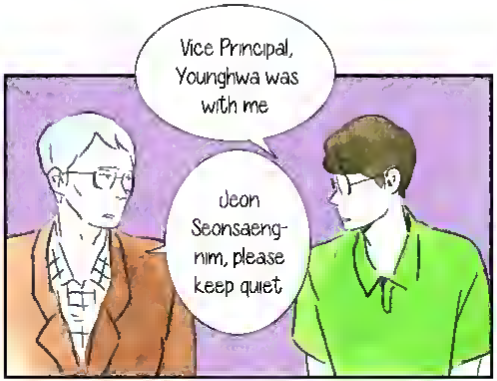


Student,
you didn't break
the window?
Yes

Student, did you hear about the security footage?
3

I know that it's enough to make me look suspicious,
but I didn't do it

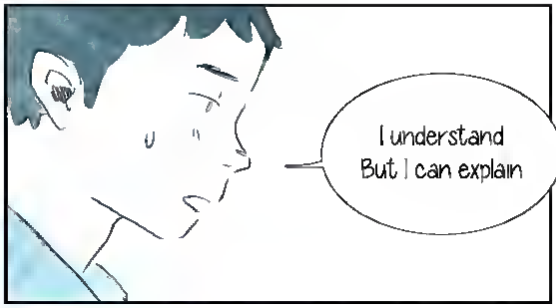
And my homeroom teacher can prove it



Vice Principal, Younghwa was with me
Jeon Seonsaeng-nim, please keep quiet

Student Younghwa

So you must understand how we figure you're suspicious?



I understand
But I can explain

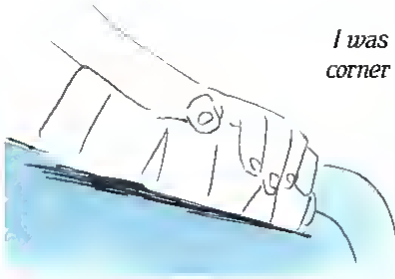
There were side effects after the accident
My memories didn't remain intact,
my efforts for Juwon took over my mind,
and

And?

Yeonseong

You're looking for Yeonseong?
Yeah.

I saw Yeonseong.
And what?



I was driven into the corner to tell the truth

And if I didn't say anything

I'd become the person
I would hate the most
